NURSERYMEN'S SUPPLIES

PROMPT SHIPMENT

All supply orders (except printed matter) are usually shipped next train after receipt. We try to carry a complete stock at all times. Our location at Chase gives us unsurpassed facilities for quick action on rush orders—two lines of railway at our doors.

ADVANCED PRICES

Notice.—Prices on almost all Supplies change every few minutes and we cannot guarantee these prices longer than our present stock lasts. Will always make best price we can.

KNIVES

Made especially for us by a manufacturer who is "fussy" about the quality of his output. Have used and handled these knives for twenty years.

C. A. G. PRUNER—Stationary handle; full length 8 inches; length of blade $3\frac{3}{4}$ inches; well balanced "hook" and easy on the operator. Handle of hardwood fastened with three rivets set diagonally. After testing out this knife in our own work we have decided to offer it to the trade as the best Pruning Knife of reasonable cost that we can find. Price, 50c each, postpaid; \$5.00 per dozen, postage extra.

GRAFTING—C. A. G. Grafter ($\frac{3}{4}$ size)—Our sales on this knife to satisfied nurserymen and florists are more than five hundred dozen. It is more knife for grafting and general use for the money than any on the market. Makes a good serviceable pocket knife. Cocoa handle; 40c each, postpaid; \$4.25 per dozen, postage extra.

PRUNING SHEARS—SPECIAL HEAVY AMERICAN

EXTRA HEAVY, weight 16 ounces; volute steel spring. Not highly finished, but as ready as they are rough, and big value at the low price of 75c per pair, postpaid; per dozen, \$7.50, postage extra. Half dozen at dozen rates.

BUDDING KNIVES

BUDDING—Heavy American Budder ($\frac{3}{4}$ size)—This knife has been selected after trial as the best Budding Knife available in sure supply. Cannot get Wostenholm now. Price, each, postpaid, 85c; per dozen, \$9.50, postage extra.

BUDDING—Chase's Special Ivory Tip—A good medium-priced budding knife, much like the Heavy American Budder in appearance; 70c each, postpaid, \$8.00 per dozen, postage extra.

BUDDING—Stationary Budder (blade does not fold)—Note shape, size and "hang" of blade. Made for budding, but not as convenient for the pocket as the others; 30c each, postpaid; \$3.00 per dozen, postage extra.

WHESTONE

The best for budding and grafting knives; 15c each, postpaid.

PRUNING SHEARS

AMERICAN, 9 inches—This is a low-priced, good, well built, all around pruning shear. Have handled these for years and they give full value in service. Weight, 14 ounces; volute steel spring. Per pair, postpaid, 65c; per dozen, freight or express, \$6.50. Half dozen at dozen rate.

PRUNING SHEARS—Continued

THE WATCH SPRING FRENCH SHEARS stand at the head of the list for making cuttings of all kinds. For cutting back seedlings to the bud or any heavy work the 9-inch is recommended.

WATCH SPRING, FRENCH, 9-inch—Per pair, postpaid, \$2.50; per dozen pairs, freight or express (weight per dozen pairs, 11 lbs.), \$24.00.

WATCH SPRING, FRENCH, 8 inches—Per pair, postpaid, \$2.10; per dozen pairs, freight or express (weight per dozen pairs, 7 lbs.), \$21.00.

WATCH SPRING, FRENCH, 6 inches—Per pair, postpaid, \$1.50; per dozen pairs, freight or express (weight per dozen pairs, 5½ lbs.), \$16.00.

Extra springs for the Watch Spring French Shears, postpaid, 20c. Easily put in place.

Ladies' Pruning Shears, 6-inch, Heavily Nickeled

LADIES' PRUNING SHEARS, 6 inches—"Made in America" and, in our judgment, the best Ladies' Pruning Shears. Beautifully finished, shaped just right, high quality throughout. For all light work, for use around the roses, shrubs, etc., it just fills the bill. Per pair, postpaid, \$1.00; per dozen, postage extra, \$10.75.

AMES NURSERY SPADE—D handle, double strapped full length of handle, tapered nursery spade; size of blade, 12¾ x 7½ x 5½; weight, 9 pounds; \$2.00 each, \$24.00 per dozen.

EXTRA SPADE HANDLES—These handles are bent to fit the Ames Nursery Spades above described, and riveted. Price, 45c; \$5.00 per dozen.

BOX LINING PAPER

This season we offer only **KRAFT** Paper. While it costs more per pound it is most economical because of its greater yardage. Put up in rolls of about 45 to 60 lbs. each; widths 30, 36 and 40 inches. Price, per pound, 12½c.

Burlap—Sewing (Sail) Twine—Needles

New Burlap is still "out of sight" in price and we are using Selected Scrap. It does not contain fertilizer sacks, little pieces or rotten stock. It is put up in bundles of about one hundred pounds each. Price, per pound, F. O. B. here, $8\frac{1}{2}c$.

CORDAGE, TWINES, ETC.

Still high in price and going higher with deliveries uncertain. We placed our orders early and have the items in stock and hope to fill all orders promptly during the season. ALL PRICES ARE SUBJECT TO MARKET CHANGES.

SAIL TWINE. For sewing burlap. Best quality Jute, 3-ply. Put up in skeins and 12-pound packages. Will sell any quantity desired. Price, per pound, 30c.

Bale of Wool Twine.

WOOL TWINE, Four-Ply—For tying in bunches; in balls of about one pound each, packed in bales of about 130 lbs. each. In bale lots, per pound, 20c; less than bale lots at, per pound, 22c.

WOOL TWINE, Three-Ply—For bunching small fruits, roses, etc., this is plenty strong, and because of the greater yardage is cheaper than the four-ply. Price, same as four-ply.

FIVE-PLY BALING CORD

For heavy bales; breaking strength 240 lbs. A new type of baling cord made of Sisal and Jute mixed. On reels of about 50 lbs. Cannot break reels. Price, 24c per pound.

GRAFTING THREAD—Put up in balls and packed 20 balls to the box. A box of twenty balls will wrap about 40,000 average grafts.

 Price per box 20 balls waxed..... 2.50
 (If mailed, add 2c ball unwaxed and 5c ball waxed.)

The opposite illustration shows a ball of our grafting thread with a pencil run through the hole in the center.

GRAFTING WAX

For out-door use in top grafting fruit trees, etc. Often you have use for a small quantity of Grafting Wax and do not want the bother of mixing it. This will just fill the bill.

$\frac{1}{4}$ lb. cake, postpaid..... 15c
 $\frac{1}{2}$ lb. cake, postpaid..... 25c

BOX STRAPS

STEEL BOX STRAPS—One-inch wide, 9 inches long, thin, soft steel, strong enough to hold the heaviest box. You can drive an ordinary nail through it without punching. About 2,800 pieces in 100 pounds. Less than 50 pounds, per lb., 12 $\frac{1}{2}$ c; 50 pound boxes, per lb., 10 $\frac{1}{2}$ c.

LABELS

IRON-WIRED—3 $\frac{1}{2}$ inches, plain, 1,000 to package; 90 cents per 1,000, by freight or express. In 5,000 lots, 85 cents per 1,000; in 10,000 lots, 80 cents per 1,000.

COPPER-WIRED—Size same as above, add 25 cents per 1,000.

LARGE "HEAD" LABELS—Size, 5x1 $\frac{1}{8}$ inches, copper-wired, blank, packed 200 in box. Price, per box, 80c.

STRAWBERRY LABELS (Pointed)—Size, 3 $\frac{1}{2}$ x 7 $\frac{1}{8}$, plain (no' painted or printed), packed 1,000 to box, slip under string on bunches of strawberry plants. Also used in small flower pots. Price, per box, 65c.

FLORISTS' POT LABELS (Pointed)—Size, 8x7 $\frac{1}{8}$, plain (not painted or printed), packed 500 to box. Price, per box, \$1.65.

LABEL WIRE—Best Iron Wire, cut 7 inches long. Per lb., 60c.

SHEET COPPER TREE LABEL

An indestructible label for use on trees, shrubs, etc., as a **PERMANENT MARKER**. Directions: Lay label on folded newspaper; write with very hard pencil or wire nail bearing on to indent metal. Give wire one turn around branch, securing end in loop. Remove to smaller branch every two years to prevent cutting wood. Price, postpaid, 25c per 10; \$2.00 per 100.

CHASE'S "DIG EZY" HOE—One of the best weeding hoes for use in nursery and beds. Double riveted, well made, properly balanced. Price, each, 70 cents; dozen, \$6.75.

EXTRA HEAVY TROWEL

Solid Steel Shank and Blade.

This is, we think, the best trowel made. Shank is solid steel. No rivets. Will last for years; 90 cents each, postpaid; 75 cents each with other goods, by freight or express.

BOX MAKER'S HATCHET (Improved)—This all-metal Box Maker's Hatchet has been greatly improved; now has a checkered face on head; best of all, a **HEAVY STEEL RE-INFORCEMENT** in the **NECK** making it 50 per cent stronger and just the right weight. Will make as many boxes and get lost just as easily as a hatchet costing three times the price. Price, each, 50c; per dozen, \$5.50.

TREE GROWERS GLOVES

Here is a heavy Cotton Work Glove with palm and fingers faced with leather. Because of the high price of Mule Skin Mittens and the uncertain deliveries by the factory owing to scarcity of leather, we have added this heavy work glove to our line of Supplies. Our boys like them; warmer than all leather gloves or mittens; not as clumsy as mittens; will stand a good amount of hard work, and, price considered, are mighty

good value. Per pair, postpaid, 50c; per dozen, \$5.25, postage extra. Half dozen at dozen rate.

RAFFIA

RAFFIA—We use the best Raffia we can buy, regardless of its cost, because, for nurserymen's use, the best is most economical.

Price, per pound, in lots under 10 pounds..... 25c

Price, per pound, in lots of 10 to 50 pounds..... 23 1/2 c

CHASE TREE COUNTER

Still the Best Tree Counter on the Market

Designed by Robert Chase

These new machines are of the very latest type, extra heavy levers and springs, solid construction, heavily nickel plated. Guaranteed for three years. If for any reason a dial fails to work properly, send it to us to be put in order and returned without charge. The Chase Tree Counter is now used by most of the leading nurserymen.

Four-dial machine with 1,000 record cards, delivered.....\$18.00

Five-dial machine with 1,000 record cards, delivered..... 20.00

Extra record cards, correct size, printed like cut, 75c for 500; per 1,000 postpaid 1.35

Accurate, quick, no guess work. Place in the hands of a good man, and as he passes down the row he presses the lever which indicates the grade of the tree. When through with a variety, the dials show the total number of each grade in the block—the only method of taking a correct grade count in the field. One thousand record cards furnished with each machine.

AUTOMATIC TACKING MACHINE

automatically staples the tag or card in place. Guaranteed to work on any wood. Money back if not satisfactory; will ship on thirty days trial to any responsible nurseryman. Machine guaranteed against breakage for three years. Machine, each, \$1.50; staples, per box of 5,000, \$1.60; postage extra.

THE JONES PATCH BUDDER

Designed especially for budding Nut Trees or other subjects which cannot be propagated by ordinary methods. With this Budder, Pecans, Walnuts, Hickories, Chestnuts, Persimmons, etc., may be budded almost as easily and rapidly as the more common fruit trees.

With careful work, one entirely inexperienced in propagation can get good results with this Budder right from the beginning, and with some practice can do rapid and very efficient work.

This little tool is now used by the U. S. Government, many Experimental Stations and by all the leading propagators of Nut Trees, both North and South. Made of aluminum, machined perfectly true and nicely finished. The blades are made from safety razor blade steel, but of heavier stock. With full directions for budding Nut Trees, handling the buds, preparing waxed muslin, etc. Price, \$1.50 each, prepaid.

(Patented)

BALED SPHAGNUM MOSS

Price, per bale, \$1.35. If wanted wrapped in burlap add 15c per bale. The weight per bale is not guaranteed because it loses in weight constantly, due to evaporation.

CHEMICALS FOR FUMIGATING

TERMS AND CONDITIONS—Continued

GRADES

We grade liberally by caliper and height. When both are specified, caliper measure governs, but we are careful to see that stock is uniform throughout. Our rule is: "WHEN IN DOUBT, PUT IN THE LOWER GRADE."

All stock is graded and bunched in our storage houses, where we have water in abundance. Stock is handled from field to these buildings under large tarpaulins and roots kept moist until boxed.

LIABILITY AND CLAIMS

We are not liable for injury to stock from frost, hail, fire, or other causes beyond our control, and book all orders with this understanding. While we use every means at our command to secure prompt delivery, WE ARE NOT LIABLE FOR DELAYS IN TRANSIT; OUR RESPONSIBILITY ENDS UPON DELIVERY IN GOOD ORDER TO RAILWAY COMPANY. Remedy for loss must lie between the buyer and the railway company, but we will gladly render all the aid we can. Any other claims must be made within five days after arrival of goods.

NON-WARRANTY CLAUSE

We give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any nursery stock, seeds, bulbs or plants we sell.

SUBSTITUTION

We do not substitute unless instructed to do so, AND THEN LABEL TRUE TO NAME.

CODE WORDS—TELEGRAPHIC ORDERS

When more than one grade of fruit trees is listed, a code word is used. Much expense can be saved in telegraphic orders by using these code words in connection with Nurserymen's Telegraphic Code, a copy of which will be mailed upon request.

BOXING

Charges as low as possible for well-made boxes, paper-lined:
